Doral Academy PTSO Membership

The Doral Academy-Pebble Campus PTSO's mission is to ensure that parents, staff and students work together to foster an environment that will support the best possible educational experience for students, staff and parents at Doral Academy.

The Doral-Pebble PTSO is excited to get started in our inaugural year. Through the generosity of parents, teachers, staff and students, we look to help provide funding for a variety of benefits for our students and staff including: school enrichments, programs, student clubs/organizations, and campus improvements for years to come.

Membership has benefits including exclusive discounted member pricing on Doral merchandise (not school uniforms), exclusive Doral "D" magnet, discounted member pricing for school events, and unique access to online ordering on the PTSO website. There will be three member meetings throughout the PTSO year. Your participation is optional; however, we welcome your involvement as we are all here for one common goal-THE KIDS! We look forward to seeing you soon!
